🐙 github.com/frgryr2001

My name is Le Hoang Nhan. I am a **4th-year student** with experience in Information Technology. With the amount of knowledge learned in school and self-study, I am ready for the internship. Very importantly, I **do not lie** on resumes. In my free time, I enjoy playing **video games and football** and going to a cafe to relax.

EDUCATION

Ton Duc Thang University

Major: Computer Science(Grade: 7.7 / 10)

District 7 , Ho Chi Minh City 📍
